LETTER

Dear Sir or Madam:

Enclosed are copies of the two Filing Receipts issued for the above identified US Patent Application. The first Filing Receipt, which we received on March 9, 1998, is believed to reflect the correct filing information for this application. However, on September 14, 1998, we received another "corrected" Filing Receipt for this application. Some of the information that the "corrected" filing receipt contained has incorrect Foreign Priority information. We will rely on the 1st received filing receipt unless the USPTO instructs us to file a Request For Corrected Filing Receipt for the 2nd such receipt.

Respectfully submitted,

Clarence A. Green, Reg. No. 24,622
